

The Ian Orchard West Country Collection

The records on the following pages represent many decades of diligent research by Ian Orchard. Ian is a long-standing member of the Romany and Traveller Family History Society (RTFHS) and wanted to preserve his information about his family and also share it more widely by making it available to all through the RTFHS website. He has also been writing articles about his family for *Romany Routes*, the quarterly journal of the RTFHS, for more than 20 years.

Ian's Romany Gypsy ancestors originated and lived and travelled mainly in the West Country - Cornwall, Devon, Wiltshire, Dorset, Gloucestershire and Somerset - but also in neighbouring counties across southern England: from Hampshire, Berkshire and Oxfordshire to Sussex and Kent.

The main family surnames included in this collection are:

**Burr • Crocker • Davis • Hughes • James • Mills • Orchard • Penfold
• Sanders/Saunders • Scarrott • Small • Yearly**
